

EASTER APPEAL 2020

HOW CAN YOU HELP?

\$100

TRANSPORTATION SHOULDN'T BE A BARRIER

Ahli Arab Hospital in Gaza City - a lifeline to the poorest of patients - provides transportation to its free community clinic. Your gift of \$100.00 will make it possible for five families to receive treatment they need from the dedicated doctors and nurses at Ahli.

HELP AN UNDERWEIGHT CHILD THRIVE

Your donation of \$250.00 to **Ahli Arab Hospital** will offer a range of services to help a malnourished, underweight child reach normal weight and start on the path toward a healthy future.

\$250

COMMUNITY OUTREACH CONNECTS FAMILIES WITH SERVICES

Your donation of \$250.00 to **Jerusalem Princess Basma Centre** will allow six children to be diagnosed and referred for services through Princess Basma's extensive community outreach program across the West Bank and Gaza.

\$500

TRAUMATIZED CHILDREN NEED CARE

In Gaza, where 81% of school children struggle academically due to conflict-related stress, your gift of \$500.00 to **Ahli Arab Hospital** will provide treatment and ongoing support for a traumatized child.

EARLY INTERVENTION MAKES A DIFFERENCE

Your donation of \$1,000.00 will cover the cost of a comprehensive therapy program for a child with disabilities from the West Bank and Gaza at the **Jerusalem Princess Basma Center**.

\$1,000

POWER SAVES LIVES

\$5,000

Ahli Arab Hospital experiences a loss of power for up to eight hours each day. Fuel needed to run generators is crucial for patient safety and continuity of care. Your gift of \$5,000.00 will cover the costs to run a generator for one week so staff at Ahli Arab Hospital may offer their life-giving services without interruption.

MOTHERS ARE A CHILD'S BEST ADVOCATE

Leaders at **Jerusalem Princess Basma Centre** know that mothers make the best therapists. Your donation of \$5,000.00 will cover full cost of a three-week residential program for a mother and her child with disabilities that offers a home therapy plan for each child and extensive education and support for their mother .
