## FARAH'S TEACHER SAYS

"Farah is an extraordinary student who is also smart, and this is apparent from her results at school. However, she always is in a hurry to give an answer when she is asked a question so we are working to teach her that she needs to take her time before jumping to conclusions. I expect her to become a teacher in the future."

MY NAME IS FARAH AND I WAS BORN IN IRBID, JORDAN, AND I AM SEVEN YEARS OLD. I LOVE TO DRAW A LOT. I ENJOY LEARNING NEW THINGS. I LOVE ACTING AS WELL.
