Student Stories - Week of Easter 4

HOLY LAND INSTITUTE  
FOR THE DEAF Salt, Jordan

## MO'ADH'S TEACHER SAYS

"Mo'adh is a child who notices things that others do not notice, the small things. For example, I sometimes intend to write the wrong date on the board, and he is the only student who would notice that. I hope that one day he will finish his education, he has a lot of possibilities in his future."

MY NAME IS MO'ADH,  
AND I WAS BORN  
IN SYRIA. I AM NINE  
YEARS OLD.

I LOVE TO PLAY, AND  
I LOVE SCHOOL AND  
LEARNING AS WELL.

BUT MOST OF ALL  
I LOVE MY FAMILY,  
MY MOTHER, MY  
FATHER, AND MY  
SIBLINGS, MUHANAD,  
MUHAMMAD, AND  
RIMAS.
