BEARING WITNESS

A JOURNEY WITH HOLY LAND CHRISTIANS

"We are entrusted with this mission in the Holy Land - to be a beacon of hope, love, and peace in this world.
We do this ministry not only for ourselves, but we do this on behalf of every single Christian."
— Archbishop Hosam Naoum

WHAT IS BEARING WITNESS?

Bearing Witness, a video-based small group education program, provides Christian communities the biblical basis, the inspiration, and the tools to walk together with Christians in the Holy Land. The program inspires us to seek ways to connect with and support the courageous ministry of the Diocese of Jerusalem and its witness to Jesus in the land where it all happened.

At the heart of *Bearing Witness* are 14 professionally-produced videos shot on location in Palestine and Israel featuring more than two dozen interviews. Christians, Jews, and Muslims tell their own stories and share their challenges and hopes. What AFEDJ-trained facilitators and participants learn in *Bearing Witness* will remain with them and inspire their own journey of faith and ministry.

The program's materials, resources, and facilitator training dates are available (for free!) at www.afedj.org/bearingwitness. We invite you on the remarkable journey.
