

WE INVITE YOU TO MAKE A DIFFERENCE

WHERE THERE IS LOVE THERE IS HOPE

Founded in 1988 as a non-political, independent nonprofit, American Friends of the Episcopal Diocese of Jerusalem (AFEDJ) acts as a partner with the Episcopal Diocese of Jerusalem by helping to increase its capacity to teach and heal.

AFEDJ is dedicated to raising financial support for the diocese's humanitarian ministries – schools, hospitals, and centers for children with disabilities – in Palestine, Israel, Jordan, and Lebanon and raising awareness about these powerful examples of Christian Witness in the Holy Land. Equity, respect, and human dignity are at the heart of our efforts.

As the year comes to a close, we ask for your support to make a meaningful difference in the lives of countless individuals affected by the recent conflict. This Christmas, we ask you to be a beacon of hope in a land where it is in critically short supply. Your contribution is not merely a financial gift, but the lifeblood that sustains our mission. By joining hands, we can strengthen this vital network of care, amplifying the Diocese of Jerusalem's mission and creating lasting change in the lives of those who need it most.

Please consider making an unrestricted donation today by visiting AFEDJ's website:

www.afedj.org/give/give-online

or by sending your contribution directly via mail:

25 Old Kings Hwy No., Suite 13, Darien, CT 06820
