## A Journey with Holy Land Christians

### WHAT IS BEARING WITNESS?

Since 1988, through General Convention resolutions, the Episcopal Church has repeatedly called on its members to learn more about the remarkable Christian witness in the Holy Land and the humanitarian ministries of the Episcopal Diocese of Jerusalem.

Three years in the making, a dynamic education program called **Bearing Witness: A Journey with Holy Land Christians** is now ready. This new adult curriculum developed by the American Friends of the Episcopal Diocese of Jerusalem (AFEDJ) is a free, five-session video-based education program that provides church communities and faith-based organizations with the biblical basis, the inspiration, and the tools to walk together with Christians in the Holy Land.

The Most Rev. Hosam Naoum, the Anglican Archbishop in Jerusalem, recently said, “Bearing Witness is one of the greatest gifts the American Friends will offer our leaders, our churches, and the people of the Episcopal Church and beyond. It speaks to the heart.”

Each of the five program sessions is grounded in a Gospel passage about a theme of Jesus’ ministry (Belonging, Healing, Teaching, Breaking Barriers, and Building Hope), with videos featuring a Palestinian or American priest reflecting on the scripture. Other videos for each session were filmed on location in the West Bank, East Jerusalem, Gaza, and Israel; they illuminate the challenges of everyday life in the Holy Land and how Diocese of Jerusalem ministries respond to the needs of people of all religions, ethnicities, and economic circumstances. Bearing Witness participants will meet 25 Christian, Jewish, and Muslim leaders as well as students, teachers, and others served by the institutions.

Each of the five sessions explores a theme of Jesus’ ministry:

- Session 1: Belonging
- Session 2: Healing
- Session 3: Teaching
- Session 4: Breaking Barriers
- Session 5: Building Hope

Free, downloadable guides include all churches need to offer this small group program including a “master” Facilitator Program Guide that provides guidance for creating a learning environment for your session, as well as a companion guide for participants, session guides for facilitators and participants, and many additional resources. AFEDJ offers training and ongoing support for facilitators. All materials and video may be found at [www.afedj.org/bearingwitness](http://www.afedj.org/bearingwitness).

“We are entrusted with this mission in the Holy Land - to be a beacon of hope, love, and peace in this world. We do this ministry not only for ourselves, but we do this on behalf of every single Christian.”

— Archbishop Hosam Naoum
